WINE LAW: COMPARATIVE ASPECTS AND GLOBAL TRENDS

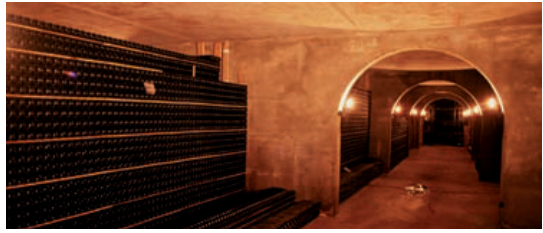

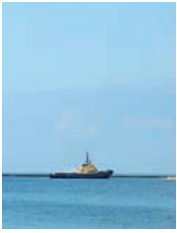

The 11th edition of the EU Wine Law School is hosted by the University of Reims School of Law as part of the Wine & Law Program.

Located in the heart of Champagne, the University of Reims delivers a 5-day intense course program, entirely in English, on the legal aspects of wine trade within and with the European Union.

This year the Program will focus on **Comparative aspects of regulation against fraud in the wine & spirits sector.**

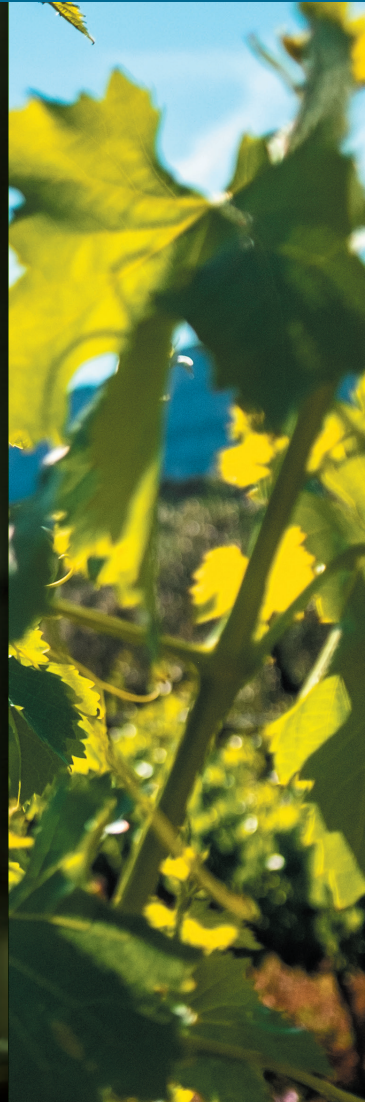

And as always, the School is also about wine tasting, sightseeing and socializing.

Receptions, visits to Champagne-related sites and special events are organized for the participants, including the Annual Global Wine Law Lecture.
